Dear Sirs,

unfortunately we have to inform you of repeated attempts made by criminal organizations to have your payments wired to unknown accounts instead of our company's accounts.

Please be aware that our company never informs by e-mail of any change in our bank address, which is shown in the following documents: quotations, proforma invoices and final invoices.

Kindly also note that our bank address, including our IBAN code, always starts with "IT" and the beneficiary is always **Space S.r.L.**

If you have any doubt, please contact our office by phone.

We thank you for you cooperation, with our best regards.

Space S.r.L.
